

Dear Belle Valley Families,

We would like to share with you some exciting information that may benefit your Child. Your Child is invited to participate in the Belleville Summer Sack Lunch Program. Beginning Monday- June 3rd through Friday, August the 9th many Churches, Businesses and Organizations will partner together to provide free nutritional sack lunches to Children in Belleville. The lunches will be delivered to your neighborhood everyday Monday through Friday.

Look for one of the Belleville Summer Sack Lunch Program Vehicles that will deliver the lunches every weekday, Monday through Friday.

Children will need to come every weekday to receive their free Sack lunch. We will not be going door to door with the lunches. There is nothing that you need to do as far as signing up.

Lunches are received on a first come- first served basis and although we will do our best to see that all children are served, we do not guarantee it because the daily needs may differ from location to location.

Lunches will only be served to children and each child needs to be present to receive a sack lunch.
